FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (017198): Deletes all language after the enacting clause. Enacts the Tennessee Stolen Valor Act creating a Class A misdemeanor for criminal impersonation for any person who pretends to be an active duty member or veteran of uniformed service with the intent to obtain money, property, services, or other tangible benefits and clarifies when such prescribed uniform may be worn by a non-active duty member or veteran. Requires that all imposed fine proceeds be paid into the General Fund and be allocated to assist in veteran property tax relief, subject to the general appropriations act. Repeals the offense of unlawful wearing of a uniform or decorations of the armed forces.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Pursuant to Tenn. Code Ann. § 58-1-602, unlawful wearing of a uniform or decorations of the armed forces is a Class C misdemeanor.
- The proposed legislation repeals that offense and replaces it with a Class A misdemeanor offense of criminal impersonation of a member or veteran of uniformed service with the intent to obtain money, property, services, or other tangible benefits. It is assumed that some of these offenses are currently being charged under Tenn. Code Ann. § 58-1-602.

SB 2030 – HB 2130

- Any impact on the court system is estimated to be not significant.
- There will not be a sufficient number of misdemeanor prosecutions for state or local government to experience any significant increase in revenue or expenditures
